

# **DIAMOND**

## **AMPLIFICATION**

### **LIMITED LIFETIME WARRANTY**

Diamond Amplification (DA) amplifiers are warranted against defective workmanship for the life of the product. Parts and components are warranted for three years from the date of purchase. Proof of purchase must be shown or must be able to be ascertained by DA. Tubes are warranted for only 90 days. This warranty applies only to the original purchaser although it may be transferred to one subsequent owner. Such subsequent owner must register the product within 60 days of purchase.

Damage to or misuse of the product voids the warranty. Misuse of the product includes, but is not limited to, any use of the product not authorized in, outside the scope of or recommended against by the accompanying Owner's manual. Modification or unauthorized service voids the warranty. This warranty also depends on the use of replacement parts obtained from DA only. Use of parts not approved by DA may void the warranty.

Warranty repairs or preventative service must be done by DA or an authorized DA service center. DA will provide any necessary parts or information to any authorized service center to assist in avoiding shipping of the product. If, however, shipping must occur, DA will pay ground shipping one way for any warranty repair. Shipping both directions will be the responsibility of the customer/owner for any repairs not covered this warranty.

DA expressly disclaims any other warranty, express or implied, including the warranty of fitness for a particular purpose or merchantability.
